ALTA/ACSM LAND TITLE SURVEY FOR RHOCKEL INVESTMENT GROUP

CITY OF LORAIN, OHIO

SURVEYOR'S CERTIFICATE

The undersigned, being a registered surveyor of the State of Ohio certifies to Rhockel Investment Group; Rhockel Investment Group P.L.L.; Heritage National Association; Fannie Mae, its successors and assigns; Thompson Hine & Flory LLP; Reinegar and Reinegar Co. L.P.A.; Surety Title Agency, Inc.; and Commonwealth Land Title Insurance Company as follows:

1. This map or plat and the survey on which it is based were made in accordance with the "Minimum Standard Detail Requirements for ALTA/ACSM Land Title Surveys", jointly established and adopted by the American Land Title Association and the American Congress on Surveying and Mapping in 1992 and this survey meets the requirements for an Urban Survey as defined therein.

2. The survey was made on the ground between March 14th and 18th, 1994 and again on September 11th, 1998 and correctly shows the area of the subject property, the location and type of all buildings, structures and other improvements situated on the subject property.

3. Except as shown on the survey there are no visible easements or rights of way of which the undersigned has been advised.

4. Except as shown on the survey there are no observable, above ground encroachments (a) by the improvements on the subject property upon adjoining properties, streets, or alleys, or (b) by the improvements on adjoining properties, streets, or alleys upon the subject property.

5. The location of each easement, right of way, servitude, and other matter affecting the subject property and listed in the title insurance commitment dated June 21, 1998, issued by Commonwealth Land Title Insurance Company with respect to the subject property, has been shown on the survey, together with the appropriate recording references, to the extent that such matters can be located. The property shown on the survey is the property described in that title insurance commitment. The property described in that title insurance commitment property is in accord with minimum setback provisions and restrictions of record referenced in such title commitment.

6. The subject property has access to and from a duly dedicated and accepted public street or highway.

7. Except as shown on the survey the subject property does not serve any adjoining property for drainage, utilities, or ingress or egress.

8. The record description of the subject property forms a mathematically closed figure.

9. No portion of the property shown on the survey lies within a Special Hazard Area, as described on the Flood Insurance Rate Map for the community in which the subject property is located.

The parties listed above are entitled to rely on the survey and this certificate as being true and accurate.
