

(4) Pedestrian facilities.

- A. On-site pedestrian facilities shall be provided as approved in the site plan, designed with the purpose of encouraging pedestrian access between the main use and the highways and between sites.
- B. Sidewalks shall be constructed along all public street frontages as required by City ordinance.
- C. On each lot, a sidewalk shall be constructed from every street frontage to the main entrance of the building. Where the street frontage of a lot exceeds 400 feet, one additional sidewalk shall be provided for each additional 200 feet of frontage or part thereof.
- D. There shall be a sidewalk along the full length of each façade at least eight (8) feet wide having a customer entrance or along which customers must walk to access the entrance from a parking area.
- E. A pedestrian walkway shall be provided from any area of parking located further than 200 feet from the main entry of the building it serves.
- F. A landscaped seating area shall be provided for each sidewalk (outside of the public right-of-way) having a length of 200 feet or more.
