

ensure that property located in the District, and currently located in the Township, is subject to the agreed upon land use plan and district uses as shown in Exhibits E attached hereto and the design standards as shown on Exhibit F attached hereto.

3. It is of critical importance to both the City and the Township to implement a unified set of land use and design standards for the District. Accordingly, if either the City or the Township is not able to implement the District uses and design standards as set forth in Exhibits E and F within twelve (12) months of the approval of this Agreement: (1) all payments due either party pursuant to this Agreement shall be held in abeyance and shall not resume until the City and the Township have agreed upon and both fully implemented an alternative land use plan and design standards for the District; and (2) the parties shall initiate the dispute resolution procedures provided for in Section 9 of this Agreement. After six (6) months, if the issues have not been resolved through mediation, or the parties have not agreed to extend the mediation period, this Agreement will automatically terminate at the end of the then current calendar year, and all payments held by the City through the end of the then calendar year shall be distributed to the Township. Upon such termination of this Agreement, the parties agree that the prior Annexation Agreement between the parties, entered into on August 2, 1991, shall be
