- D. No street or highway will be divided or segmented by the boundary line between New Russia Township and the City of Oberlin as to create a road maintenance problem, or, if a street or highway be so divided or segmented, the City of Oberlin has agreed, as a condition of the annexation, that it will assume the maintenance of that street or highway. II. The Board further finds the territory to be annexed is not unreasonably large based upon stipulated testimony of Agent John Keyse-Walker, Petitioners and that:

Said finding was supported by the evidence that:

The territory is not unreasonable large and 9.9923 acres is not the largest territory this Board of Commissioners has permitted an annexation to occur. The municipality of Oberlin will be able to provide services to the territory, they are not undertaking something that is unreasonable large, the shape and geographic features of the territory proposed to be annexed are regular and not unusual and are not creating any islands or peninsulas. The removal of the territory from the Township will not create a situation that the tax base of the Township to be so eroded or depleted so as to not permit the Township to continue on and provide goods and services to the township residents.
