Lorain, Ohio

Dear Mr. Conley:

In compliance with a request from Council at last night's meeting, on behalf of the Lorain Elyria Sand Company I wish to confirm that we intend to conform to the proposed dock-line in its entirety, if the proposed ordinance granting us an 800' extension of our new dock-line is granted.

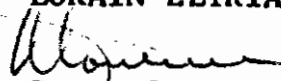

It is our intention to incorporate the necessary deeding of the two parcels of our property to the City of Lorain necessary for the completion of the dock-line revision as a part of our bid for the deed to be received by our Company.

I would appreciate your notifying Council of this letter prior to the third reading on the subject.

Thank you for your continued cooperation.

Very truly yours,

LORAIN ELYRIA SAND CO.
