WHEREAS, the Lorain County Engineer by letter dated May 9, 1995 submitted the following review and recommendation:

"This office has reviewed the description of Kay Drive Extension, T-1361, and find it correctly follows the proposed extension, as indicated on County tax maps.

The extension includes about a 20' radius cul-de-sac, consisting of stone base and chip and seal. The cul-de-sac ends about 40 feet + west of the east property line and there is a large ditch between the cul-de-sac and the property line.

Since the deed for this extension of 105.53 feet has been approved by the Planning Commission and has been recorded in the County Recorders O.R. Volume 987, Page 856, and the Amherst Township Trustees are willing to accept this road in its present condition, we see no reason the Board can not accept this as road right-of-way for public use, in the name of Amherst Township.

If you have any questions, please contact this office.

Sincerely yours,
S/Kenneth P. Carney
Lorain County Engineer"

NOW, THEREFORE, BE IT RESOLVED based upon the Engineer's review and recommendation, we do and hereby accept road right-of-way along Kay Drive Extension, for public use on behalf of the Amherst Township Trustees and add this extension to the road system.

FURTHER BE IT RESOLVED Amherst Township Trustees are willing to accept this road in its present condition.

The foregoing resolution was introduced upon a motion by Commissioner Betty Blair, seconded by Commissioner Herbert Jacoby, and upon roll call, the vote taken thereon resulted as follows: all voted in favor of the motion.

Motion carried.

I, Roxann Blair, Clerk to the Board of Commissioners of Lorain County, Ohio, hereby certify that this is a true copy of Resolution No. 95-427 as it appears in Journal No. 95 on the date of May 18, 1995.
