As soon as possible, and if the number has not already been posted, please post this address in a conspicuous place, visible from the street, using Arabic numbers. Each individual number shall not be less than 4" high and each stroke shall not be less than 1/2" wide, constructed of durable material that will remain bright and easily seen by emergency personnel. Roman and script numbers are not acceptable.

You may contact me at this office if you have any questions on this matter. A copy of this letter will be sent to the entities listed below.

Very truly yours,  
THE CITY OF ELYRIA
