UTILITY NOTE:
The underground utilities shown have been located from field survey information and existing drawings. The surveyor makes no guarantee that the underground utilities shown comprise all such utilities in the area, either in service or abandoned. The surveyor further does not warrant that the underground utilities shown are in the exact location indicated although he does certify that they are located as accurately as possible from information available. The surveyor has not physically located the underground utilities.

SURVEY CERTIFICATION
This plat was prepared from a field survey, analysis of recorded plats, deeds, and survey records. Bearings shown are in feet and decimal parts thereof. All of which I certify to be correct to the best of my knowledge. Monumentation was found or set at all property corners. 5/8" Iron Pins 30" long set were capped with "BLR No. S-7774".
