SUBJECT, however, to such easements and restrictions as may appear of record or as may be apparent from an examination of the premises.

RESERVING, however, unto Grantor, its affiliates, subsidiaries, parent corporations, successors, assigns, licensees and lessees the right to continue to maintain, repair, renew and operate railroad tracks and appurtenances across the easement areas and to construct such additional track(s) and other railroad facilities across said easement areas and to maintain, repair, renew and operate the same as in the judgment of Grantor, its affiliates, subsidiaries, parent corporations, successors, assigns, licensees and/or lessees may be requisite.

RESERVING, further, unto Grantor, its affiliates, subsidiaries, parent corporations, successors, assigns, licensees and/or lessees the right to install, construct, locate, maintain, repair and renew any fiber optic communications lines and associated structures and facilities related thereto across, under or over said easement areas and to maintain, repair, renew and operate the same as in the judgment of Grantor, its affiliates, subsidiaries, parent corporations, successors, assigns, licensees and/or lessees may be requisite; which rights, however, shall not interfere with or impair the rights herein granted to Grantee.

TO HAVE AND TO HOLD the above described easements unto Grantee, its successors and assigns, so long as it or they may require the same for the purposes granted; PROVIDED, however, that this conveyance is made by Grantor upon the conditions, (a) Grantor shall not be required to assume any expense in connection with or incident to the construction, maintenance, use or repair of any structures located within said easement areas and shall be exempt from any and all charges, costs or assessments of any kind or character on account of the construction, maintenance, use or repair of any structures located within said easement areas over and across the aforesaid parcels of land or adjacent property of Grantor; (b) if, at any time, the easements herein granted or any part thereof, shall no longer be used or required by Grantee, its successors or assigns, for the purposes which granted, the Grantee, its successors or assigns, shall execute such instruments as now provided or which
