SURVEYOR'S CERTIFICATE

The undersigned hereby certifies to E + E Inc. and Chicago Title Agency of Lorain County, Incas of the date hereof, that this survey correctly shows, on the basis of a field survey and in accordance with the current Minimum Standard Detail Requirements for Land Title Surveys established and adopted by ALTA: (1) a fixed and determinable position and location of the land described thereon (including the position of the point of beginning); (2) the location of all buildings, structures, and other improvements situated on the land; and (3) all driveways or other cuts in the curbs along any street on which the land abuts. The property line is contiguous at all points with the right of way line of Garden Street which is a publicly dedicated street. Except as shown on said print or survey there are no visible easements or rights of way affecting the land or other easements or rights of way of which the undersigned has been advised or which are of record nor, except as shown, are there any building restrictions or setback lines, party walls, encroachments, or overhangs of any improvements on any easements, rights of way or adjacent land, or encroachments by improvements located on adjacent land on the described land. The print of survey reflects boundary lines of the described land which "close" by engineering calculation. No portion of the subject property is located within a flood hazard or flood prone area as determined by any federal, state, county, city or other governmental authority.
