Plat and Survey of the Town or Village of Oberlin.

I do certify that I have surveyed and set bounds to the lots, numbered in the above plat of survey according to the courses and distances and numbers by which the same are designated and have caused a stone to be permanently fixed in the north east corner of the College Green or publick square and also another at the south east corner of said green as marked in the plan of survey, having made Main Street a meridian which by the Needle bears north one degree west from Morgan Street & south one degree & twenty minutes east from said street. All streets, alleys and lots (except otherwise designated run parallel to Main street or perpendicular to the same, the lots numbered with Black ink from No. 1 to No 93 both included were original divisions of parts of Townships Lots Nos 75, 76, 95, 86 & 95 & 96 in the Township of Russia in the County of Lorain, State of Ohio being in Range of Townships 18 in the Connecticut Western Reserve, the Sub divisions are numbered from No. 94 to No 219 both included in Red ink, the length and breadth of the out lines of each lot is marked with small figures near their lines and are calculated in links or parts of chains---------- and are in Block No. 1. Block No. 2 contains 16 lots and is from lot No. Ninety five and is numbered with Black ink from No 1 to No. - both included.

Signed July 24 1837. C. E. Freeman County Surveyor

Note-- The lots on all the streets East of Main Street extend to the center of their respective streets and also on the streets west of Main Street and north of Lorain Street, and also south of the same to the center of those Streets. All other lots to the side of those streets.
